From the Executive Director:

INTRODUCTION

Welcome to the first countywide Open Studios Tour, featuring over eighty local artists. The San Luis Obispo County Arts Council is very proud of this event and its potential to provide exposure and patrons to our area's working artists as well as educate the general public about the art-making process. We could not have put this exciting program together without the tireless help of our planning committee and cadre of volunteers. It is a reflection of the importance of the arts to our community that we have so many volunteers willing to devote so much time to making this event a success.

The San Luis Obispo County Arts Council is devoted to developing, sustaining, and promoting the visual, literary and performing arts in our community. We are the local partner of the state agency, the California Arts Council, and it is our mission to give support to artists and arts organizations by serving as a central arts resource and service agency. Through our programs like arts education for at-risk youth, mini-grants for local arts organizations, public art projects and arts publications, the San Luis Obispo County Arts Council brings arts to the forefront of community life.

Thank you for supporting the Arts Council and its programs by participating in this first Open Studios Tour. We are looking forward to featuring this event as an on-going program of the Arts Council and, with your support, we can expect it to grow larger every year. Enjoy your self-guided adventure and remember to keep your catalog as a resource all year long.

Follow these simple rules to become Art Smart:

1. **Just View It!** Attend the preview exhibit at the San Luis Obispo Art Center on October 22, 1999 from 6:00 to 8:00 PM. With catalog in hand, view the Open Studio artists' artworks and note which artists you particularly like. Learn more about the artist in the Resource Book that accompanies the exhibit. Find the Artists' studios on your map and plan a route.
2. **Go!** On Saturday and Sunday, pack a lunch, your catalog and a friend into the car and set out on your designated route. Don't forget your checkbook.
3. **Schmooze.** If you respond to an artist's style, ask to see other works, or view his/her portfolio. Ask about how the art is made, how the vision is completed. Consider commissioning a custom piece to fit just-so in your home.
4. **Negotiate.** Discuss payment terms with the artist and establish a payment plan.
5. **Get an Education.** Make sure you know how to care for and display your new treasure. Ask questions about framing, hanging and lighting the piece; it will make you look smart.
6. **Sign Guestbooks.** You are now an art patron; you will want to be on the mailing lists of your favorite artists. You will now receive notice of any shows, sales or special events that the artist is planning.
7. **Enjoy** the hospitality and art on display at the following sponsoring wineries: Castoro, Laetitia, Meridian, and Seven Peaks,

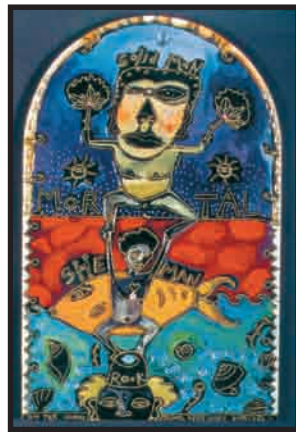

ARTISTS' WORKS

The artists are arranged alphabetically throughout the catalog. Each artist is represented by a full color image of one of his/her work. Each artist is noted with a letter and a number. The letter represents the region and the number represents the artist's map location. Tour sites that have wheelchair access are indicated by the symbol: ♿ Artists may be contacted by mail, telephone, facsimile, or e-mail as indicated by the data beneath each image. By appointment, all artists welcome visitors throughout the year.
